

CSE major requesting to register for research with:

Allen School full-time faculty

Allen School adjunct faculty

Allen School affiliate or any unaffiliated faculty*

CSE 496, 498, or 499

CSE 499

CSE 496 or 498

CSE 499

Submit research registration request via the MyCSE tool.

1. Forward faculty permission to enroll in CSE 499 to ugrad-adviser@cs.washington.edu.
2. A faculty code will be sent to you to enroll in CSE 499.

***Exceptions: These faculty can also sign off on CSE 498/499, students register through MyCSE**

- SEAL Lab - Alexander Mamishev (ECE)
- Rania Hussein (ECE)
- Max Kleiman-Weiner (Foster)

1. Write a brief proposal that describes the research project, its connection to CSE, and that includes your faculty mentors information. Send the proposal to ugrad-adviser@cs.washington.edu.
2. The proposal will be forwarded to the Director of USST and the Undergraduate Faculty Program Coordinator for review.
3. If the project is approved you would be provided a faculty code to enroll in CSE 496 or 498 with your faculty mentor.
4. In some cases, you may be appointed an Allen School faculty to co-sponsor your project if that is determined by the Undergraduate Faculty Program Coordinator. In this scenario students would be given the faculty code of their co-sponsor to enroll in CSE 496 or 498.

1. Write a brief proposal that describes the research project, its connection to CSE, and that includes your faculty mentors information. Send the proposal to ugrad-adviser@cs.washington.edu.
2. The proposal will be forwarded to the Director of USST and the Undergraduate Faculty Program Coordinator for review.
3. If the project is approved you would be provided a faculty code to enroll in CSE 499 with your faculty mentor.

Non-CSE major requesting to register for research with:

Allen School
full-time faculty,
adjunct faculty,
or affiliate

CSE 499

1. Forward faculty permission to enroll in CSE 499 to ugrad-adviser@cs.washington.edu.
2. A faculty code will be sent to you to enroll in CSE 499.

CSE 496 or 498

*Cannot enroll in CSE 496 or 498

***Exceptions:** Exchange students may be allowed to enroll in CSE 498 with approval from their faculty mentor, Director of USST and the Undergraduate Faculty Program Coordinator.
